*During the 2017-2018 school year I will have a band student in grades 6 7 8 9 10 11 12
(Circle all that apply)*

If you have a student in the band program, you are a band booster! We have about 100 students in the band programs at Otsego and their activities throughout the year require a lot of parental assistance. Our executive board, which consists of four parents and the band directors, cannot do this alone. We need everyone's help to make this year a success.

I am interested in Volunteering to Make a difference (please check any box where you may be interested in helping out):
